Sir,

I am directed to refer to your application(s) dated 09/10/2017 on the subject mentioned above and to state that on scrutinizing the application the following discrepancy(ies) have been observed. :

- 1. Rule 70 (3) of the copyright Rules 2013 provides that application has to be signed by applicant (author/owner) only it **does not provide for an attorney to sign an application** (Form XIV) including the Statement of Particulars (**SoP**) and the Statement of Further Particulars (**SoFP**) on behalf of the applicant, which are to be signed by none other than the applicant himself. Please resubmit Form XIV along with **SoP & SoFP duly signed by the applicant.**
- 6. Against **Col. 4** of **SoP**, please indicate the appropriate **class of work**: whether **Artistic**
- 19. The Firm itself cannot be the author of a work. Details of the person(s) who has/have actually created the work as per section 2(d) of the Copyright Act, 1957 may be furnished.

The kind of work applied by you may be covered under "Artistic" category not "literary". Further, Since the work is covered under "Service" category, you are required to provide the Search Certificate under TM - C from the Trademark Registry for the logo of the organisation present over the work. Also, submit the difference fee i.e. INR 2000-500=1500.

You are requested to remove the above discrepancy(ies) within **45 days** of receipt of this letter, failing which the application(s) will be recorded and no further communication in the matter shall be entertained thereafter. However, you shall have the liberty to submit the application afresh, duly completed in all respects. If you ever so desire.
